

For Search Funds, Self-Funded Searchers, and Independent Sponsors.

Equire DealSource helps business buyers find acquisition opportunities in the fragmented \$700K-7M EBITDA market. The service, curated from 2,000+ independent sources, provides affordable & unique access to many "Off-Network" deals managed by less visible intermediaries.

Why Equire DealSource

| | Equire DealSource | Deal Networks | Internal Sourcing Team |
|-------------|---|--|------------------------|
| Deals | Intermediary offerings from many fragmented sources | Competitive auctions with strategic buyers | Targeted |
| Commitment | Month-to-month agreement ¹ | Annual contracts | Long-term hires |
| Reliability | Weekly database updates (sometimes biweekly) 5 to 8 updates/mo | Dependent on intermediary platform submissions | Management milestones |
| Cost | <u>Single-Acquisition Firms</u> ² Monthly subscription: \$279 | >\$10,000/yr | >\$100,000/yr |

¹Operating as an independent contractor with private distribution of Premium database

²Single-acquisition buyers seeking 1 acquisition in 2 yrs; supports 2 firm users

Testimonials

"Equire was the only service we used while sourcing for search fund opportunities. Equire saved us time and money by filtering through the best deals from a wide range of intermediaries. I recommend Equire to any potential searcher I talk to."

-Ross Porter, Heritage Holding

"I would recommend the DealSource service to anyone searching for a firm to buy."

-Todd Heghinian, TRH Capital

"As a lean team of 2 partners, it's hard to find great deals, DealSource gives us invaluable depth around deal sourcing for unique opportunities."

-Search Fund Entrepreneur
